

2009 Christmas Newsletter The Home of the Holy Angels

Saint Margaret Mary Catholic Church, Winter Park, FL and
The Home of the Holy Angels, Kibedi, Kibale district, Uganda

Dear Friend:

As we approach the holy season of Christmas, I want to thank you for all that you've done to support the orphans in Kibale, Uganda. Through your collective efforts with our mission center, the Kibale Uganda Development Union (KUDU), we have made much progress in the past year. We have now completed our first building, which we are calling The Home of the Holy Angels. We have a few steps left to be accomplished before the doors can open, and are hoping to finish those by end of January, to pump clean running water to the facility, and to do so we need electricity.

Our priority as we enter 2010 is to secure steady and recurring sources of funds. To get there, we are approaching foundations and applying for grants, talking with churches about partnership programs, and asking for individual donations as well. We are hoping to increase the number of monthly donors since that helps to provide a more stable and predictable source of funds. Before we open the doors to the orphanage, we must be confident that we will have the funds to keep the doors open. With God's grace and guidance, I am confident we will get there.

If you haven't been to our website recently, please take a look at <http://helpkibale.org>. The site has been updated recently, and includes our new sponsor-a-child program. Under the "sponsor-a-child" tab, you will see pictures of 26 orphans who we hope will soon be living at The Home of the Holy Angels. We have been fortunate to have some of the children sponsored already. With a monthly gift of \$100 – a little over \$3 per day – you can sponsor a child and fund the total cost for food, clothing, housing and education. Would you consider sponsoring a child like Juliet or Edward? You would be making a big difference for these children if you were able to do so.

You can help us to open the doors to the orphanage sooner by spreading the word about our mission in Kibale. Would you help me by sending this email to at least five others who might be interested in helping our orphans? There are many ways for potential donors to help as shown below:

Become a Kibale Friend: (Periodic Donor)

We appreciate all gifts, whether they are periodic or only one-time. Your contributions will help to provide hope for children who have lost so much. No gift is too small.

Become a Kibale Partner: (Regular Monthly Donor)

You can be a tremendous help to our mission by becoming a monthly partner. If you feel called to help in this way, your regular contributions will help us in meeting the ongoing expenses at the orphanage, and assuring a brighter future for our children. It will also help us to better plan our budget by providing a more regular income stream.

Become a Kibale Sponsor: (Sponsor a Child)

You can provide full sponsorship of a child at our orphanage with a gift of \$100 per month. Your gift will enable us to provide a child with a new home, regular meals, clothing, and education.

Become a Kibale Builder: (Sponsor a specific unit in our growth plan)

You can also participate in our mission by sponsoring the cost of a major unit in our growth plan. Kibale Builders will be recognized in The Home of the Holy Angels with a plaque honoring the givers, or other individuals of their choosing (for example, if given in memory of another). Please contact me at Info@helpkibale.org if you are interested in this option, and I can discuss elements of our growth plan with you.

Contributions can be made in several ways. Checks should be made out to "**Sponsor a Child**" or "**Home of the Holy Angels orphanage**" and mailed to the following address: Fr Charles, President of KUDU, PO Box 2396, Winter Park, Florida 32790. If you would like to contribute using a credit card, you may do so online through the following link: https://www.helpkibale.org/Donations_new.html?submit=Click+Here+to+Make+a+Donation

Once again, my friends, thank you for all that you have done. You are helping to make a big difference in the lives of those who have lost so much. May God bless you, and may you and yours have a Blessed Christmas!
